This portal is a way of grouping all my genealogy and local history data in one place. The bulk of the information relates to my [Bolstridge - Boulstridge One-Name-Study](#) but also includes [my own family history](#) and that of [my late wife](#). Apart from the Bolstridge / Boulstridge name there is considerable information on Tonks, Allen, Gulliver, Huddleston, Parsons, Duffield, Greensill, Barfield, Hill, Spencer and Langford surnames.

The main resource is the genealogy database accessed menu bar, and the various display blocks. This database contains over 6,500 individuals, the details of about 1200 of these are withheld, usually because they are or are assumed to be living.
